

## **Application Guidelines**

All applications will be treated with strict privacy provisions.

**These guidelines should be read by the Student, Parent/Guardian and the School.**

The Foundation is offering a minimum of two scholarships for Year 11/12 students for **2010-2011** to outstanding students from remote areas who lack the financial resources to achieve their goal of gaining entry to University.

The value of the scholarship varies between \$1,000 and \$5,000 per year depending upon the number of successful applicants and the amount of financial support being provided to the student.

Those eligible to apply must come from rural and remote areas of NSW and attend a school west of the Dividing Range. Family income means test applies. It may be necessary for the Board to conduct a phone interview with the candidate.

The decision to award a scholarship is at the absolute discretion of the Board of Directors of the BCEF. The scholarship will be reviewed with the School at the end of Year 11 to determine the ability of the Student to continue on the program.

On entry to University an initial "Start-up" Grant will also be awarded.

The Application Form is in **3 Parts** as privacy conditions apply.

**Part A** is completed by **Student**

**Part B** is completed by **School** *after the Parent/Guardian Authority has been signed.*

**Part C** is completed by **Parent /Guardian**

**Note:** **Part B** requires Authority to be signed by Parent/Guardian before sending to the School.

**Parts A and B** when completed by the Student and the School are sent to BCEF.
